

Renswicks win Covered Bridge Rally

Our annual Covered Bridge Rally was held on Sunday, October 8th. The TSD(Time, Speed, Distance) Rally started at the Gateway Plaza at the Conneaut exit of I-90. It was a beautiful fall day with the trees full of color. The rally went through 14 covered bridges between the Harpersfield Bridge, the longest in Ohio, to the Gudgeonville Bridge southwest of Fairview. It finished at Crowley's Restaurant south of Platea. Veteran members Skip and Leah Renswick from Beamus Point, NY teamed up in their BMW for the win with only 229 penalty points. Last year's winner, Rob Cox was second with Daren Sharkey, in Rob's Ford F150. Jon Rausch and Chip Laveck with Andy and Cindy Stevenson won the Tourist class and were third overall. David Hinz II and Jordan Gilmore won the Novice class in David's GMC race truck and were fourth overall.
